

Participate in the 2011 Trees for Troops Program

Due to the overwhelming success and recognition from consumers, Trees for Troops will be conducted once again this year! Trees for Troops is a national campaign and is sponsored by the Christmas SPIRIT Foundation, the National Christmas Tree Association and FedEx Corp. (NYSE:FDX).

Last year, 17,224 trees were donated by 700 farms in 28 different states. Consumers were able to participate and donate trees through special Trees for Troops Weekends at some 36 retail locations and farms throughout the US. Donated trees were sent to 66 military bases – 59 in the United States and 7 overseas. PCTGA once again participated in this wonderful program by donating over 1,839 trees. Because of all of you, Pennsylvania donated the second highest number of trees in this national program. Thank you to everyone who participated in the 2010 campaign in Pennsylvania!

PCTGA has made a strong commitment to the Trees for Troops program and we hope that all you will join us. Donations of any size are welcome – every tree makes a difference for one of our military families! If you would like to donate trees or money to the program, please contact your local drop-off location to let them know and for any special instructions.

CONSUMERS: The public is welcome to take part in the program during *Trees for Troops Weekend* (December 2-4, 2011). For the most up-to-date list of participating farms and locations, visit: www.christmasspiritfoundation.org.

PCTGA MEMBERS: Below are the five PCTGA member drop-off locations for tree donations. If you would like to donate trees, please contact your local drop-off location for any special instructions. **The drop-off deadline is November 29, 2011.** The drop-off locations will need to know the number of trees you are planning to donate (most farms will donate anywhere between 10 - 50 trees). This is so that the drop-off farm has an idea of how many trees will be delivered and so you can receive the appropriate promotion for your participation!

Abraczinskas Nurseries, Inc.

346 Numidia Drive
Catawissa, PA 17820
